**WINES OF AUSTRALIA  
UPSTAIRS TABLE**

**PETER LEHMANN SEMILLON**

Peter Lehmann Semillon has found a natural home in the Barossa. It was one of the early white wine grape varieties planted by the first settlers and so the Barossa is blessed with a rich heritage of old, low yielding Semillon vineyards 86 points - Parker

**PETER LEHMANN LAYERS WHITE BLEND** Layers is crafted to illustrate our belief that the whole is greater than the sum of the parts. Don't be fooled by its easy drinking and approachable nature, each taste reveals another layer of subtle complexity. The Layers is a blend of 5 varieties picked from different vineyards throughout the Adelaide. 87 points - W.S.

**BITCH GRENACHE** Bitch, a provocatively names 100% Grenache from R Wines, achieves the potential of this difficult to grow grape. R Wines winemakers use fruit from the Barossa Valley in South Australia. Brick red, with pink hues, Sweet, boiled lollies, confectionery nose, some cinnamon spice. Good weight and length on finish.

**ROGGLE SHIRAZ** The Baby Roogle Shiraz is an expression of exactly what it is named: a baby version of the flagship, Marquis Philips Shiraz. Featuring a stunning label design and the same explosive, creamy, dark and concentrated fruit that has been the hallmark Marquis Philips style, but at an even greater value.

**PETER LEHMANN CLANCY'S RED** Peter Lehmann winemakers follow the long Australian tradition of blending Shiraz with Cabernet Sauvignon, but giving their unique touch with the incorporation of Merlot to give a soft, approachable and richly enjoyable red wine. Clancy's has earned its status as an Australian legend. Successive vintages of Clancy's Red have earned acclaim in Australia, the UK and the USA. 90 points & Smart Buy - W.S.

**WINES OF AUSTRALIA  
DOWNSTAIRS TABLE**

**COOPERS CREEK RIESLING** The Spring Creek Vineyard from which this fruit is sourced is proving to be a stellar performer. Once again it has produced fruit of superb flavour and intensity. Only free-run juice was used to make this wine. This juice was in pristine condition and was both subtle and pure. As with previous vintages, we used a yeast that goes by the name of Siha7. This yeast was isolated because of its unique ability to harness Riesling's floral delicacy.

**DARBY AND JOAN CHARDONNAY** Light straw in color. The aroma displays lifted melon characters with subtle hints of passionfruit and oak complexity. A rich wine on the palate, it balances textural mouthfeel with clean acid finish.

**PERMUTATIONS PINOT NOIR** Long and textured with a fine tannic structure. Lots of ripe sweet fruit and balanced, subtle acid. Just enough oak to add complexity and structure. 86 points - Parker

**DARBY AND JOAN CABERNET** Displays a deep red crimson colour and lovely lifted aromas of ripe plums and exotic juniper. A soft round palate has fresh boysenberry fruit, licorice and lingering sweet tannins.

**PILLAR BOX RED** Displaying a dark color and a vibrant purple hue, the 2007 Pillar Box Red has bright aromas of blue and dark berry fruit entwined with licorice, spearmint and cigar box complexity. The palate is rich and fleshy, with flavors of fresh blackcurrant and blueberry fruit combined with orange rind, dark chocolate and spicy smoky oak characters. While the tannins are full, the palate is round, soft and well balanced, leading into a lingering harmonious finish. 91 points - Parker
