

The Best of 2009

For over 30 years, we at the Refectory established our reputation by offering the finest French cuisine paired with an innovative and award-winning wine selection. We were the first restaurant in central Ohio to offer tasting flights, wine dinners and wine tastings, and we are proud to continue our tradition of innovation. This, our last feature of the year, is an eclectic assemblage of wines that emerged as the most popular selections from our many tastings, features and other wine events of 2009.
